

¿Cuántas arañas desayuna, come, merienda y cena Vampirín? (4-6 años)

The image contains a 4x3 grid of spider webs. Each web is followed by a plus sign (+), another web, an equals sign (=), and a final web. The spiders are distributed as follows:

- Row 1: Web with 2 spiders + Web with 1 spider = Web with 0 spiders
- Row 2: Web with 3 spiders + Web with 2 spiders = Web with 0 spiders
- Row 3: Web with 1 spider + Web with 4 spiders = Web with 0 spiders
- Row 4: Web with 3 spiders + Web with 3 spiders = Web with 0 spiders
